PHYSICAL DATA

FEATURES

- Sponge is named after sponges in the forest, where the inspiration for design, shape and expression also is found
- The simple design and soft shapes make Sponge an incredibly elegant series, suitable inside and outside the home
- With the built-in battery, Sponge can be placed and moved as you like and simultaneously, the brightness of the light can be adjusted in three levels
- The battery has a durability up to five hours at full power and even longer if the light is turned down to a cosy lighting

- The battery is easily charged via the included USB cable.
- Sponge is produced of hard plastic and is durable against wind and water
