FLUA LUNA S BOOLET

LUNA S

LUNA is a compact and comprehensive lighting track system with magnetically installed luminaires

Luna provides a great choice for designers and architects with its easy, aesthetically pleasing and diverse installation options. This allows for the enhancement of the architectural design details and the space as a whole

With a wide choice of magnetic luminaires which provide lighting flexibility, their sharp minimalist design also provides style and elegance for any project

PHYSICAL DATA

FEATURES

- Material: Aluminium
- Magnetic installation of luminaires
- 48V allows for longer installation runs and the power affords more fittings per run
- Recessed slimline profile lends itself toward dynamic architectural interest
- PWM Dimmable

MOUNTING

Recessed

APPLICATION AREAS

Indoor, Commercial, Residential, Hospitality, Retail, Museums, Galleries, Cultural Centres
